AUSTRALIA RUSA STAG SAFARI:

This is a five-day hunt for one hunter, guided 1x1, in Queensland, Australia. Donation includes the trophy fees for one Molluccan rusa stag. This hunt can be scheduled June – November for 2011 or 2012. Hunt with a **rifle, bow or muzzleloader**. Havago Australia hunts in several regions of Australia, totaling millions of acres which allows them to offer the very best in hunting and fishing to all their clients all year round. Their base camp is in southern Queensland where they conduct their deer camps. They travel to the very northern reaches of Queensland for huge pigs and spectacular fishing. They now have the choice of three regions to hunt the "most wanted and dangerous" Asiatic Water Buffalo. Jim and Debbie have been operating for the last 20 years. This is backed up by a lifetime of working in the bush. It's their natural element, and Jim has a passion for both hunting and fishing. He is a great source of knowledge of the bush and its wildlife. You are going to hunt most times with Jim as the PH himself, and if that's not possible, they will give you the very best guide available. In most areas you will have comfortable first class accommodations. Their hunts are true hunts, covering rough and rugged terrain. This is country made for deer not man. Debbie can help you with any hunting and travel arrangements, making your planning as easy as possible. Also included in this donation are food & accommodations, field prep of trophies and airport pickup and return. Hunt can be upgraded to add extra days or non-hunters. Hunt can also be upgraded to include extra species such as red stag, fallow deer, axis deer or rams and goats. Water buffalo and wild boar can also be added, but require a trip to Northern Australia. Arrival and departure point is Brisbane Airport. Not included are accommodations before and after the hunt, license fees and firearm import fees.
